

## Sinai Jeep & Camel trekking Safari 15 days

**DAY 01:** Arrival at Sharm El-Sheikh international airport meets and assists through formalities, then transfer to your hotel for overnight.

**DAY 02:** Drive to Sarabit El-Khadem, underway visit **Moses fresh spring** which is one of Moses biblical sites where he stopped to fetch up water to his people during the exodus. Proceed to Sarabit to overnight.

Serabit el-Khadim

Serabit el-Khadim is a locality in the south-west Sinai Peninsula where turquoise was mined extensively in antiquity, mainly by the ancient Egyptians. Archaeological excavation, initially by Sir Flinders Petrie, revealed the ancient mining camps and a long-lived Temple of Hathor, the Egyptian goddess who was favoured as a protector in desert regions.

**DAY 03:** After breakfast; getting to know to our camel drivers and our camels for the next few days. By now we are just learning how to ride and tend a camel. Proceed to the footsteps of Gabal Sarabit (Sarabit Mountain) our plan today is to visit the remains of the only **old-age Egyptian temple** built by the pharos in Sinai peninsula. The temple named after the goddess Hathor and the ruins assert the frequent campaigns of the pharos to explore and mine the Sinai's turquoise treasures. Descent for lunch, proceed to **Wadi (dry river bed) Baala**. Overnight around a water spring.

**DAY 04:** After breakfast; a worm up walk to the cliff of Wadi Baala. We expect to see the awesome panoramic view of Wadi Baala. Again on camels through Wadi Sahw. Walking up **Mount El-Edidia**. Stop for lunch. In the afternoon walk up mount El-Eididia to re-explore the most ancient turquoise mines in Sinai. Descent ;overnight at El-Edidia plain.

**DAY 05:** By now we all have become use to every day's routine-ride and drive-our lunch today is served on top of **Gabal Om Bogma**. An extensive scale of panorama overlooking the red sea in the horizon ( Gulf of Suez) enough time for lunch and taking in such breath-taking view while the desert offering generously its indescribable beauty and magnificence.

**DAY 06:** We wake up on the smell of the Bedouin bread being cooked on the fire. After breakfast; today we are all eager to approach **El-Shalal canyon**. Return back to our camp site to pack and set off again. Proceed to the cliff of **Wadi ElAloga** for lunch. In the afternoon visit the **spring of El-Nasab**; proceed to overnight at **Wadi Abu-Sour** (an oasis)

**DAY 07:** Set off through **Wadi Abu Sour** passing by El-Rekaiz spring to reach canyon **El-Samra – Wadi El-Samara** to overnight.

**DAY 08:** **Wadi El-Samra – Wadi El-Khraig** to overnight (a real wilderness).

**DAY 09:** Our final day on camels (a welcome experience). Today we close our circuit as we return back to our first day starting point to overnight. A chance to say goodbye nicely and properly to our Bedouin companions. Do not forget to document these sensational moments in a group farewell photograph.

**DAY 10:** Drive by jeeps to El-Teeh height (identified with the area where the wanderings of the Israelites mostly took place) visit **the park of pillars**. Proceed to **Wadi Mokatab** known for its multitude Nabatian inscriptions (100 B.C to 300 A.C) proceed to the monastery of seven none's (4 century). Head off towards St.Catherine. Time to freshen up before walking up **Mount Sinai**; a sacred mountain for believers of the three main monotheistic religions where God gave Moses the Ten Commandments. We climb three quarters of the way up to Elijah's Plateau where we camp for the night under the stars.

### Mount Sinai

**DAY 11:** we rise at 4:00 am to climb the final section of the mountain. We arrive at the summit – 7500 feet above sea level – in time for a spectacular

Sunrise over the mountains of south Sinai. Time for some tea on the top then we return down the mountain- either by the camel path or the "steps of repentance". After breakfast, we visit **St.Catherine Monastery** situated at the foot of Mount Sinai. 6<sup>th</sup> century monastery that houses one of the most important icons collection on earth. In addition to the biblical site of the burning bush and Moses well. Lunch in a near by restaurant and a chance to freshen up. Drive In the afternoon to visit **Nawamis**, the most ancient grave yard ever
